

About

This organization collects life's necessities such as food, cleaning supplies and personal care items to distribute to the less fortunate of the community. Teams of two visit the homebound and those without transportation. Receipt of a special parish collection is accepted on Holy Thursday and again as part of the Thanksgiving holiday. Donations are always welcome and volunteers – both men and women – are needed. At present approximately 50 families are being helped each month. Regular meetings are held on the 2nd and 4th Monday morning of each month in Morris Hall following the 8:15 AM Mass.
